Making a Prayer Angel for Witney Feast 2020

1. Cut out the angel, and cut along the two horizontal lines. You may need to ask an adult for help.
2. Write a prayer on the angel. Maybe you want to thank God for something good in your life. Maybe you could ask God to help you or someone you know who is in need. God loves us and knows all the worries on our hearts.
3. Fold the angel round and insert the two cuts into one another to make the wings. You might need to bend the paper a bit.
4. Bring your Prayer Angel to church to give to Jesus, or put it in a place that is special to you. God is with us wherever we are.
