**Team Vicar's Report**

Ness reminded us that it is 18 months since our last ADCM and said what a huge impact Covid 19 has had on the churches and the community.

She thanked all those present for their contributions to the church. She thanked Elpie for keeping our spirits up with her wonderfully creative ideas

She thanked Sue, who is standing down as Deputy Warden, having served for 3 consecutive terms over a period of 10 years, and has done so much for the church during that time.

Thanks, were also given to all those who keep the outside of the church looking so beautiful, particularly to Clare Musson for overseeing the planting of the wildflower meadow.

There has been a hidden ministry, she said which has been kept very busy during the last few months. Pastoral support has been via phone calls and there are too many to name who have helped to keep the ministry work going.

AOB – There was no other business to discuss and the meeting closed at 4.25pm

Ness will contact the school to see whether any parent might be willing to take on the post of treasurer. The position can be filled by someone external to the village. In these difficult times, Robin asked whether there might be collaboration among the churches when filling these roles. He agreed to write to Toby to pursue possibilities.

Robin asked whether the loose roof tiles were an imminent danger. Elpie said that John Haskell has the repair in hand and is dealing with the roofer.

Elpie said that John was prepared to be co-opted on to the PCC. She and Ness will find out how we proceed with this.

**The date of the next meeting will be on Wednesday 25<sup>th</sup> November at 3.30pm. The zoom invitation will go out 48 hours before the meeting.**
